

THANK YOU

Feb 12 2019

Dear Ed,

Please accept my heartfelt gratitude for all you and your brother Knights have done for me & my Dad. It was so clear how much he enjoyed being a Knight and serving as part of the Holy Cross Council.

It has been a real comfort being able to turn to you during our time of need during Dad's illness, and always hearing, "call me if you need anything!" 😊 Many thanks to all the Knights.
