Dear Commissioners:

Enclosed please find your 2018 IFPCA Membership Renewal.

Your membership dues of \$375.00 include the following immeasurable benefits:

- Free legal counsel from the association attorney regarding your commission
- Electronic notification of legislative updates
- Access to our bi-annual training seminars
- Access to our publications and products

Complete both pages of the attached form (please print or type), including email addresses, even if the information is the same as last year. Your membership cards will be sent out after we receive your membership form and check. **Membership cards cannot be issued without an updated 2018 form.**

In order to give us the ability to direct your future membership renewal in a more accurate manner we are requesting that you **indicate the individual in your municipality who is responsible for initiating the renewal process.** This will help prevent a lapse in your membership benefits if dues are not current.

If you have any changes in your commission during the year please contact our office with that information so we can keep our mailing list accurate.

Make checks payable to the **Illinois Fire and Police Commissioners Association** and send to the address above by **December 31, 2017.** **Please send check and renewal form together.** An invoice is included in this mailing.

Sincerely,

President, IFPCA
