Please Note: Clergy Personnell Announcements in the Archdiocese – Changes effective August 1, 2019
Memo of changes are posted at the back of the church.

"So far today, God, I've done all right. I haven't gossiped, I haven't lost my temper. Haven't been grumpy, nasty or selfish. I'm really glad of that.
But in a few minutes, God, I'm going to get out of bed; and from then on, I'm probably going to need a lot of help."

On July 12, 2019, Unplanned is going to be released in theaters across Canada. It is a must-see film so invite your family, friends, churches and community, both pro-life and not, to see it with you. Cinemas in Manitoba that are going to be showing this film include Roblin Theater (Roblin) & Landmark Cinemas 9 (Brandon).

Unplanned has changed the hearts of so many people who have seen it - even if hearts are not changed, at least there is a better awareness of what the abortion process is. "All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in.

Until the day she saw something that changed everything, leading Abby Johnson to join her former enemies at 40 Days For Life, and become one of the most ardent pro-life speakers in America."

I look forward to seeing many children at the summer camp!

A man died and went to heaven. He was met at the Pearly Gates by St. Peter who led him down the golden streets. They passed mansions after beautiful mansions until they came to the end of the street where they stopped in front of a shack. The man asked St. Peter why he got a hut when there were so many mansions, he could live in. St. Peter replied, "I did the best with what you sent us." 😊
