Shaping Individuals to be Christian Leaders through Excellence in Education

2014 NLSA/AdvancED Accredited

June 20, 2017

Dear WI Valley Parents/Guardians,

Your beginning 2017-2018 Tuition Statement and Payment Promise Form are included in this mailing. For those of you who have applied for tuition assistance through TADS, the amount of assistance awarded to you is reflected on your tuition statement. **You may have other fees added to your account throughout the year (such as, but not limited to athletic fees or course change fees) depending on your student.**

**I feel it is vital for the growth and well being of our school, to have parents who are committed to having their students receive a Christian education and are willing to work toward that end.** Tuition assistance from WI Valley is meant to supplement parental and other tuition payments rather than cover the entire cost of educating your student. If payments in excess of the total tuition due for the 2017-2018 school year are received toward your account, the amount of tuition assistance from WI Valley will be reduced. **Please bear in mind that the actual cost to educate each student is about \$10,000 per student, so even when paying full tuition, each family is already receiving a discount on the cost of the education. In addition, each dollar of tuition assistance/scholarship/discount awarded represents funds that must be raised through various means throughout the year; this is why it is vitally important for all of our parents/guardians and students to participate in our fundraising efforts throughout the year, such as our golf outing, auction, pie sale, coupon book sale, etc.**

If you applied for financial assistance through TADS, assistance will only be awarded when TADS has received **all** of the documentation needed to completely process your application. If, after review, you feel that your tuition statement is in error, please call Ms. Wehrs in the school office 715-693-2693 or email her at [jwehrs@wvlhs.org](mailto:jwehrs@wvlhs.org). If you would like to discuss the amount of tuition assistance that you have been awarded, please feel free to contact Ms. Wehrs in the school office to set up an appointment to meet with her in person.

Please look over your 2017-2018 Tuition Statement and choose which payment plan works best for you on the Payment Promise Form. Check the payment plan, write in the dollar amount, sign and return the form to the office. **All forms MUST be received in the office no later than July 15<sup>th</sup>.** Also, please be aware that if you choose the monthly payment plan, this plan **MUST** be set up to automatically withdraw monthly from your checking/savings account beginning July 15<sup>th</sup>. To enroll in the automatic withdrawal plan, go to [www.wvlhs.org](http://www.wvlhs.org) and complete the set up **prior to July 10<sup>th</sup>** to ensure that the first withdrawal happens in July.

If your financial circumstances change anytime prior to or during the school year, please contact Ms. Wehrs in writing (email or otherwise) with the circumstances to have your assistance reviewed. Please be sure that this is done **in writing** so that it can be documented in your tuition file.

**As parents/guardians you play a vital role, not only in the lives of your students, but also in the Valley family. Thank you for your dedication to assuring your student's growth through excellence in Christian education!**
