

**RESOLUTION TO MICHIGAN LEGISLATURE, DTE ENERGY, AND MICHIGAN PUBLIC SERVICE
COMMISSION
REGARDING DTE ENERGY SMART METERS**

Motion by Councilman Wood, seconded by Councilman Theros, that the following Resolution be adopted as presented:

WHEREAS, this Council has been advised by some of its concerned residents that DTE Energy ("DTE") is replacing, or has replaced, existing analog utility meters in the City of Grosse Pointe Farms with Advanced Metering Infrastructure ("AMI") meters (a.k.a. "SmartMeters"), which are computerized electric devices allowing for remote reading, among other things, by DTE via radio frequencies; and

WHEREAS, the Michigan Public Service Commission ("MPSC") has jurisdiction in this matter; and

WHEREAS, some residents of the City of Grosse Pointe Farms have expressed concerns regarding SmartMeters; and,

NOW, THEREFORE, BE IT RESOLVED that, at the request of said concerned residents appearing before this Council on December 7, 2015, the Grosse Pointe Farms City Council believes it is appropriate to request that the MPSC and State Legislature give due consideration of the many issues, including health and privacy, raised by its citizens as to the residential use of smart meters, and provide our citizens a forum to have their issues addressed; and

BE IT FURTHER RESOLVED that, as requested, the City Clerk is directed to deliver a copy of this Resolution to DTE, the MPSC, the House Energy Policy Committee, State Representative Alberta Tinsley Talabi, State Senator Bert Johnson and the surrounding Grosse Pointe and Harper Woods communities.

Yes: Wood, West, Joseph, Farquhar, Theros, Waldmeir

No: Ricci

CERTIFICATION

I, Derrick Kozicki, City Clerk of Grosse Pointe Farms, Wayne County, State of Michigan, do hereby certify that the foregoing is a true and accurate copy of a Resolution adopted by the City of Grosse Pointe Farms City Council at their regular meeting held on the 7th day of December, 2015.

Derrick Kozicki
Derrick Kozicki, City Clerk
City of Grosse Pointe Farms
