

**2018 ROUND 6 ~ September 15 & 16 ~ PENINSULA RUN ~ Rocky Mount, MO**

**Presented by: Honda of the Ozarks**

Have you ever dreamt about racing your dirt bike on an island? Well, here is your chance! Camp Sabra at Lake of the Ozarks – maybe not technically an island, but a peninsula – and that’s even better since you can drive to a peninsula!

The trail is technical and rocky with lots of ups and downs and more than half of the course is within sight of the lake. It even runs along the lake shore and across the swimming beach – not to mention through the cabins and other structures. This one is one-of-a-kind. And parking for early arrivals is on the ball field...where else can you find this stuff?

The 50 track is mostly flat and runs through portions of the obstacle course.

65/85/Ladies has some challenging stuff and some fun flowy trail – and uses the beach section.

Todd, who runs the show at Camp Sabra, is determined to add in a long course section for Sunday.

No concessions this time – plan accordingly!!!!

Perch Jerk Saturday after Awards – there’ll be a signup sheet at scoring - \$5 (or MORE if you like) and choose either A, B or C skill level. We will randomly set the teams to keep things even/fair and will provide numbers for you at the starting line. One rider from each time will take off, race their lap & then stop at the designated area to catch their fish (judges will be on hand to confirm catches). Rider one will then tag rider two and they will race their lap, then stop to catch their fish. The winning team will be rewarded (not handsomely but they’ll get something to cherish) & all funds collected will be donated to the Rocky Mount Fire District. Bring a pole if you are competing. Rules are subject to change if we think of any.

Once it's dark we'll start MORE Movie Night up at the amphitheater. Showing Moto 9, The Movie, but I also brought some other moto DVDs if we need/want.

Perch Jerk – Movie Night - Swimming – Dirt Bikes – Don't Miss It!

North Shore Shopping Center is 2 ½ miles from the camp and they have almost everything you can think of – gas, ice, drinks, food & fishing permits!! Oh yeah – that rain last weekend has made the trails perfect!

It's probably still going to be hot. Drink plenty of water – stay in the shade – pay attention to your body – and to your fellow riders. As always, we recommend using a hydration system of some sort.

Be sure that you go signup BEFORE you go out to practice – please come to the riders' meeting(s) – PLEASE respect the property & no riding after dark.

MORE long-sleeved tees for \$20 –limited quantities – available at signup.

Directions: From Eldon, take Hwy Y about 11 miles. Turn right on Coffman Beach Rd. Go about ¾ mile and turn left onto Camp Sabra Rd. Race entrance is straight ahead.

A promotional flyer with a dark background. It features two images: an underwater scene with several fish and a motocross rider on a dirt bike. Text on the flyer includes:

- PERCH JERK!**
- TAG TEAM RACE FOLLOWING SAT AWARDS \$5/RIDER SIGN UP AS A, B OR C SKILL LEVEL & WE WILL ASSEMBLE THE TEAMS!
