

Parent Association Meeting Agenda  
Monday, March 9 at 6:00PM

1. Prayer:
2. Current Events:
  - a. State of the School meeting on March 17th

**Postponed due to school closure**

- Mrs. Davis will share about why the board has called this meeting  
Brief discussion was made in reference to changes that will be made to strengthen the financial climate of the school for the long term.

- Parent association will divvy up list of 60 registered families. Our goal is to contact by phone each family and personally ask that at least one parent from each family to attend the meeting.

Past attendance has been extremely scarce in previous meetings held by the board. Members of the PA are reaching out to each of our 60 families total to request at least one parent be present at the meeting. If physical attendance is of concern to be present at these meetings we may consider having a virtual option like Zoom meetings during each PA and Board meeting so more parents can attend regularly and participate in so many important decisions that will shape our school's future and ability to provide valuable learning experiences for our children for years to come.

- Open Discussion – what should/could the PA's role be in securing a bright future of Holy Family School? Do we need to shift our focus from event planning to fund raising and enrollment boosting, for the short-term? How do we avoid volunteer fatigue/ donor fatigue with our school families? What do PA members feel would be the most effective steps PA could assist HFS in taking to boost enrollment?

- Come up with list of questions that we parents have for the board – will email them to the board this week.
