Fluidity

A SHOW OF WATER-ACTIVATED MEDIA

... a media technique that gives gestural and expressive life to all subjects, abstract or realistic, in their ability to flow easily with skill and grace while altering shape and color.

Artwork of an aqueous manner.

Accepted mediums are watercolor, acrylics, gouache, casein, egg tempera, water-based inks, water-soluble pencil or crayon and Collage by using papers painted with water media; non-water-based media may be integrated but cover no more than 20% of the artwork.

Water miscible oils are permitted and relate sense of transparency or watering down.

Entries must be original, created entirely by the artist, and use water-based media on watercolor paper, watercolor canvas, water-media boards such as Aquaboard, Clayboard, Gessoboard, Yupo, illustration boards, panels or other synthetic papers.

Source material and composition must be wholly original and not derived from any published images.

"ACCIDENTS & EXPERIMENTS"

Collection Board

Pin up your trials and other spontaneous happenings whether cutouts, scraps, or abandoned attempts ...even computer-generated concepts with notation on the collection board. Here, workshop and class art is acceptable.

"Tactical considerations can change rapidly given the fluidity of the situation."
