

Rothesay Nursery School

Mission Statement

To provide inclusive, high quality nursery education and care through an exciting and diverse play based curriculum which encompasses all areas of the Early Years Foundation Stage.

In partnership with families, we aim to develop each child's self respect and confidence to enable them to make healthy and sustainable choices. They will be able to learn in a caring, safe environment to enable them to reach their potential, whatever their background, gender or ability. We will teach the children to care for themselves and others and to respect the world around them. We will embrace new technologies.

Vision

To provide our children with opportunities to develop skills to enable them to achieve in an ever changing world.
