

2019 Charlotte Area Yarn Crawl Mileage Scarf

Our project for this year's yarn crawl will be a mileage scarf. You will record the miles from your home to each shop. Each shop has their own hand-dyed yarn in a specific color listed below.

Materials Needed:

Size 6 needle

1 Skein DK Hand-Dyed Yarn (Some shops will have 100 gram hanks and some are offering 50 gram hanks)

Participating Shops & Colors:

A Tangled Yarn Shop – Indigo

Charlotte Yarn – Orange

Cheers to Ewe! – Red

Cottage Yarn – Green

Hearts on Fiber – Pink

Knit One Stitch Too – Blue

Tangles on Main – Yellow

Yarns to Dye For – Violet

Directions:

Purchase a skein of yarn from each participating shop.

Track your mileage from your house to each shop and record the mileage on the form below.

The formula is simple!

ONE Garter Ridge = 2 miles

One (1) Single Crochet ROW = 2 miles

(For example 10 miles to a shop: Knit 5 garter ridges, or crochet five single crochet rows.)

Prefer shorter sections? No problem! This is YOUR project to enjoy, so make it as you wish! These are just suggested guidelines. HAVE FUN! ☺
