

AIT II/III – Boise Office

CSHQA, is seeking an **Architect-In-Training II/III** to join our team in Boise, ID. As a motivated and creative **AIT III** at CSHQA, you will participate as a team member and provide general architectural support on projects while benefiting from mentorship by an experience architect. Your ability to create dynamic virtual experiences through 3D modeling and animation along with your knowledge of the fundamentals of architectural design will be valued on our teams. You should have the ability to understand & interpret architectural drawings as well as assemble construction documents. You should possess strong communication skills, and be able to take artistic and technical direction with a positive attitude. It is expected that you will be able to work independently and creatively, solve problems while also collaborating with a team.

Along with strong communication, organizational and team work skills, this position requires an Architectural Degree, or informed knowledge of the field of architecture and design, a minimum 3-4 years graphic and/or design experience or comparable knowledge gained in an academic environment, working knowledge of AutoCAD, Revit and all Microsoft Office applications.

Included with our competitive salary and benefits package is not only an opportunity to join an employee owned company, but an opportunity to join an award-winning full-service design firm with a culture that inspires personal and professional development in a positive, creative and stable work environment.

Candidates may apply for this position by submitting a cover letter, resume and completed CSHQA application, which can be obtained from our website www.cshqa.com to hr@cshqa.com.

CSHQA is an Equal Opportunity Employer W/M/Vet/Disabled.
