VILLAGES OF DEVONSHIRE DESIGN REVIEW CRITERIA

The Design Review Criteria of Devonshire addresses changes for which Devonshire homeowners most commonly submit applications to the Design Review Board. They are not intended to be inclusive or exclusive.

The Design Review Board (DRB) shall regulate the exterior design, appearance, and thereon in such a manner as to promote those qualities in the community that bring value to the properties; and to foster the attractiveness and functional unity of the community as a place to live, including a harmonious relationship among structure, landscaping and topography.

All of the below require a design review application form. No work, OTHER THAN EXCEPTION NOTED BELOW, will commence until after approval from the Design Review Board.

The application form requires:

1. A complete description of the alteration or improvement
2. A detailed drawing of your particular unit in relationship to the proposed plan
3. A detailed drawing/photo showing all dimensions and details of the proposed alteration or improvement
4. Proposed commencement date and completion date of proposed plan
5. Signature of applicant along with address, phone number and date of application

The property owner acknowledges and agrees that they are solely responsible for determining whether all improvements, alterations, or additional described comply with all applicable codes, ordinances, laws, rules and regulations, including, without limitation, zoning ordinances, subdivision regulations, and building codes. The Design Review Board shall have no liability or obligation to determine whether such improvements, alterations, or additions comply with any such laws, rules, regulations, codes, and ordinances.

All applications will be considered within forty-five (45) days after receipt of request. Applications must be approved by the Design Review Board prior to the actual commencement of any work. Failure to get prior application approval for any additions or alterations will result in fines being assessed to property owner. All authorizations are subject to property owner securing all applicable permits and contractor insurance coverage. All requests must be submitted in writing to the Design Review Board.

Any party aggrieved by a decision of the Design Review Board shall have the right to make a written request to the Board of Directors of the Devonshire Neighborhood Association within thirty (30) days of the decision for the review of the decision. Any such decision shall in all events be dispositive (settles the issue).
