SEXUAL HARASSMENT OF STUDENTS

The governing board of the Placentia-Yorba Linda Unified School reaffirms its commitment to the safety and well-being of all its students and, therefore, prohibits unlawful sexual harassment of or by any student by anyone in or from the district. The Board prohibits sexual harassment of students at school or at school-sponsored or school-related activities.

Moreover, it is the intent of the board to ensure that all students be aware that they need not endure any form of sexual harassment. As such, this policy shall be posted, distributed to students and employees, and included in the annual notice to parents/guardians.

Any student who engages in the sexual harassment of anyone in or from the district may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in sexual harassment of students may be subject to disciplinary action up to and including dismissal.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed by another student or an adult on school grounds or at a school-sponsored or school-related activity off-campus to immediately contact his/her teacher, the principal, or any other available school employee. In addition, any student who feels that he/she has been sexually harassed off-campus and is concerned about or reports an impact on campus or school-related activity, even if the off-campus misconduct did not occur in the context of a school related activity, should immediately report the incident to any available school employee so the district can determine whether there is a hostile environment at school or in an off-campus school program or activity. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The district prohibits retaliatory behavior against any complainant or any participant in the complaint process. Each complaint of sexual harassment shall be promptly investigated, even if the complainant requests that nothing be done or is anonymous. All information regarding the complaint shall remain confidential to the extent permitted by law.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance

3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing or reporting requirements under the law, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any current harassment, prevent recurrence, and address any continuing effects on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action.

Investigations

Investigations into complaints of sexual harassment shall be conducted in accordance with AR 1312.3, Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Disciplinary Actions

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Any staff member found to have engaged in sexual harassment or sexual violence toward any student shall be subject to discipline up to and including dismissal in accordance with applicable policies, laws, and/or collective bargaining agreements.

Record Keeping

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent sexual harassment in district schools.
