

## 20TH ANNUAL GOLF OUTING

On Saturday, September 7, 2019, the Fragile X Association of Michigan will hold its 20th Annual Golf Outing. Since its inception, the FXAM Golf Outing has raised over \$270,000 for Fragile X research and programming.

With the generous donations of our supporters, we are able to:

- Produce a quarterly newsletter, which is distributed to local professionals and all of our FXAM family members across the state, to help them stay connected and know they are not alone.
- Partner with the University of Michigan to help support our state's Fragile X Clinic.
- Help fund drug trials at the University of Michigan, to improve the quality of life for those affected by Fragile X.

In order to continue to support families affected by Fragile X, we need your help to:

- Sponsor a hole for our 20<sup>th</sup> FXAM Golf Outing.
- Make a tax-deductible donation.
- Donate merchandise to be used in our raffle or as a door prize.
- Participate in the Golf Outing.

Attached you will find a hole sponsor & donation form and a golf & dinner registration form. Your participation will help us continue to support Michigan families, increase Fragile X awareness and bring us closer to a cure.

On behalf of the Fragile X Association of Michigan, thank you for your generosity!
