

Board meeting minutes

July 27th, 2018

Ron Brown President, Vice-President Larry Larson, Treasure Patty Theis, Secretary, Jeff Mcfadden, Kenny Remior.

Old News

At the last meeting the fire chief spoke to the residents about putting reflective numbers on their homes in case of an emergency and the fire department or ambulance needed to come into the park.

The need for some type of system for weed control on private lots.

There could be a 3-step program. There would be a letter sent out to warn owners to clean up the weed issues, then a fine could be charged and someone else would come in to take of the issue,

Trees are another issue. Throughout the park there are several trees that need to be taken down due to bug infestation or are just dying. Leisure time is responsible of the trees in the common areas but it's the lots owners that will need to take care of their own. There is a tree service that has been used in the past called Parker tree service.

New Business
