...where does my money go?

Hart Lacrosse is 100% privately funded by the families and sponsors that are collectively known as the Hart Lacrosse Boosters. We receive no funding from the School, District, or State. We pay for everything from the paint on the grass to the busses that take our players to games.

Your \$495 goes to the following items as well as many others:

Spirit packs	Referee fees
Uniforms	Sponsor gifts/advertising
Gear bags	Player awards
Coaching staff fees	Equipment
Field maintenance	Bus transportation

Private lacrosse programs can cost almost \$1500. Other area High Schools charge \$800 for their lacrosse programs. Hart Lacrosse is one of, if not the lowest cost lacrosse programs in the Santa Clarita Valley.
