AMERICANISM

LINDA GREGORY

QUOTE OF THE MONTH

For my part, I desire to see the time when education - and by its means, morality, sobriety, enterprise and industry - shall become much more general than at present, and should be gratified to have it in my power to contribute something to the advancement of any measure which might have a tendency to accelerate the happy period.

PRESIDENT'S MESSAGE

RUTH EHLERS

By the time you read this Election Day will be less than 2 weeks away. Some of you have probably already turned your ballot in, but if you haven't here are some thoughts to consider.

A Daily Sentinel Headline last week announced the donation from Front Range Teacher's unions of nearly Forty Thousand dollars to the campaigns of Tom Parish and Amy Davis. This struck me as an about face from 2013 when a very conservative business man from Douglas County donated Five Thousand dollars to each of three conservative candidates in District 51. The headlines then were:

October 16th, 2013: "*Outsider spending in school races*"

October 27th, 2013: "*Voters must decide who pulls the strings*"

And then, the day after the election the headline was: *Voters don't want radical change*".

PRESIDENT'S MESSAGE

RUTH EHLERS

CONTINUED

Anyone who pays attention is aware that District 51 is still at the lower end of the scale when it comes to student scores, there is no noticeable improvement for the students since the current board was elected and now the Front Range unions are working to keep the same line of thinking on the board. There are two conservative candidates running for the board who would bring new ideas and thinking to the board, however they face a seemingly impossible challenge from the Teacher's unions.

If you have not voted, mark your ballots for Tom Keenen and Dusti Reimer. Both are strong conservatives who believe the students in District 51 should have better opportunities.

As you are probably aware, I am a strong backer of Proposition 1A, the "Back the Badge" campaign for public safety. Contrary to some of the statements you may have heard, this will benefit our County Sheriff and our District Attorney's office. I strongly suggest a YES vote on that issue!

(My thanks to Tyler Riehl for putting the 2013 headlines on Facebook – saved me having to look them up! Since I was involved with one of those candidates in 2013 I remember the negative headlines very well!)

**OUR SPEAKER WILL BE GEORGE BRAUCHLER, CANDIDATE FOR
GOVERNOR**

George Brauchler, District Attorney for the 18th Judicial Districts (Arapahoe, Douglas, Elbert, and Lincoln counties), has named education and transportation as his top two issues, and he emphasizes his military and public safety experience as qualifications for the job.

George won his first race for District Attorney in 2012, was a strong critic of Governor Hickenlooper's decision to grant convicted killer Nathan Dunlap a temporary reprieve from the death penalty, and was the prosecutor of the Aurora theater shooter James Holmes.

Brauchler grew up in Lakewood and now lives in Parker with his wife and four children. He is currently a Colonel in the Colorado Army National Guard.
