With these trying times for our faith, it is imperative that we continue to push forward with the Health, Safety and Security Committee. One of the first aspects that the committee suggested was to have Greeters for each Mass, with duties differing from Ushers. During this time, the church really needs to have parishioners available to greet and welcome fellow parishioners and visitors/guests to our church. If you are interested in becoming a Greeter, please complete the information and either return to the parish office or drop in the collection basket and member of the committee will contact you.
