2st International Conference
on Intelligent Informatics and BioMedical Sciences
ICIIBMS 2017
November 24-26, 2017, Okinawa, Japan

Scope
ICIIBMS 2017 creates an opportunity to share ideas and discuss current topics in the field and at the interface of computer science and biology. The conference is a three day event with oral presentations, poster sessions, and plenary lectures.

Conference Tracks

Track 1: Signal Processing, Computer Networks, and Telecommunications
Track 2: Artificial Intelligence, Robotics, and Human-Computer Interaction
Track 3: Bioinformatics, Medical Imaging, and Neuroscience

Venue
Okinawa Institute of Science and Technology Graduate University (OIST) in Okinawa, Japan.

Publication
All papers published in the ICIIBMS 2017 Conference Proceedings will be submitted to IEEE for inclusion into IEEE Xplore and selected papers will be considered for publication in the Journal of Applied Science and Computer Science (ASCSPub, http://www.ascspublications.org). We invite you to submit your original technical paper to this conference. All submission will be peer-reviewed by experts in each topic.

Important Dates

Only Abstract Presentation Due:	May 20, 2017
Full Paper Submission Due:	June 30, 2017
Notification of Acceptance Due:	Aug. 25, 2017
Camera -Ready Due:	Sept 10, 2017
Author Registration Due:	Sept 30, 2017

Steering Committee
Honorary Chair: Shiro Tamaki, Japan
General Chair: Zacharie Mbaitiga, Japan
Executive Chair: Hitoshi Miyake, Japan
          Suematsu Hisayuki, Japan
          Shinya Ikematsu, Japan
Program Chairs: Bernd Kuhn, Japan
          T. Suriyon, Japan

For details go to http://www.iciibms.org and take this opportunity to visit beautiful Okinawa!

Organized by: OIST

長岡技術科学大学
Nagaoka University of Technology

国立 沖縄高専
Okinawa National College of Technology

国立大学法人 琉球大学
University of the Ryukyus

Sponsored by: ASCS Publications

IEEE

Technically Co-Sponsored by
IEEE computer society

TOMY

MITS ELECTRONICS
