

DISTRICT PARTICIPATION AWARD 2022

We came up with this idea to promote riding and comradery. We ask all of you NOT to look at it as another competition - rather look at it as a way to promote fellowship. Fellowship within our own chapters and fellowship with other Chapters and Districts. We tweaked the program this year to accommodate the pandemic. You will understand as you continue reading.

We realize that some chapter members don't own motorcycles or have health issues that keep them from riding – THIS is for you too!! You count the number of events – not the number of members. Not just rides are counted. We look at Gatherings, Team meetings, Christmas parties, Picnics, Parades, Fundraisers, Crawfish boils, etc. We even included zoom gatherings and events. Be creative with the event you put on. HAVE FUN WITH IT!!

EVERY SINGLE EVENT YOU DO AS A CHAPTER IS COUNTED!!!

The purpose of becoming members of GWRRA is to have FUN!! Meet new people and enjoy the company of people we already know. We believe this a great way to promote and encourage members to participate in Chapter, District and National events. Isn't that why you joined? This also stops your Chapter from becoming stagnant! None of us want that!

YOU EVEN GET TO "JUST RIDE"!!!

We ask you to embrace this program as a way of having fun and also add to the enjoyment that your chapter can offer with little or no effort. All you have to do is keep track of sign in sheets and rest falls into place.

The Chapter receiving this Award will get a proper recognition and special VIP seating at the closing ceremonies at the Louisiana Rally and, of course, bragging rights. Please keep in mind that this is ONLY for the Louisiana Chapters.

We are ALWAYS available to answer any questions or comments ANY of you may have. That's what we're here for – to assist you in bringing FUN into your chapter life. Let us hear from you!
