

Time for Trustee Elections

It is that time of the year for each group to elect a member to serve on the Board of Trustees. Please read this or raise this issue at your AA Meetings. Serving on the Board is a great way to serve your AA group and to meet other members of the Fairview Riverside AA community. Your participation is very important at this time! Please send a representative.

The purpose of the Board of Trustees is to serve the Groups of A.A. at Fairview Riverside as a common voice in matters concerning the A.A. membership and other groups, Fairview Riverside Rehabilitation Center, the A.A. community in Minnesota, and the A.A. community at large.

As a practical matter, the Board of Trustees manages the finances, paying rent to the hospital, and decides what percentages and amounts of collected contributions are distributed to the AA service organizations. The Board also coordinates 12 step opportunities for the groups, and organizes and staffs the St. Mary's/Fairview Riverside hospitality suite at Gopher State Round-up.

The Board of Trustees for AA at Fairview Riverside meets at 6:15 p.m. on the second Sunday of every month at the lobby lounge by the Brennan Center in the east building. Any member of an AA group that meets at Fairview-Riverside University of Minnesota Medical Center is welcome to, and encouraged to attend and contribute. If your group does not have an elected Trustee, please elect a Trustee and send them to the **next Board of Trustees meeting, February 10th.**

We will continue to post the monthly Treasurer's Report and Secretary's Report on our website, www.aafairviewriverside.org each month. If any group has any questions, concerns, or comments that they would like to bring to the attention of the Board of Directors, please send a note or letter through the mailbox on the fifth floor, call Bruce M. (Treasurer) at (612) 816-7929, or e-mail Bruce M. at bhmargo@gmail.com
