Old Business:

- a. Research guidelines set in place for obtaining bids for repairs to streets
- b. Motion was made and passed about hiring USIC at May's Council Meeting. There was some discrepancy about part of their contract and how it will affect Lambs Grove should there be an accident due to USIC's markings. Council agreed to move on in with them in spite of this. Mayor Edwards was to contact our attorney to go through remaining contract. Providing there was nothing else that needed discussing, the City would go forward with signing their contract and using their services.
