

Coronation Dance Festival

2020

The Coronation Music Festival is a non-profit society which aims to promote the advancement of performing arts excellence and appreciation in our area, and to support community access to music and the arts.

The Coronation Music Festival was founded in 1962 to provide opportunities for Coronation and District performers to receive guidance in our own community from experienced professional adjudicators who come here from all across Alberta and Saskatchewan.

The Festival with the generous support of community donors makes it possible to provide awards and scholarships annually to outstanding individuals and groups to encourage their ongoing development as performers. Many students pursue extracurricular workshops with financial assistance from Festival awards. We encourage all festival participants to take advantage of this opportunity by completing the scholarship application found on our website. Each year exceptional performers are selected to gain additional experience by participation in the Provincial Festival.
