## PRI Show in Indy

By all indications the 2015 PRI Show was a success. Attendance was up again over the prior year and people stopping by the Seals-it display were very positive about the upcoming race season. PRI sets the tone for what is happening in the race world and the feedback from this show paints a bright picture for the years ahead. Our company had many special guest at the show including Ray Miller, Gil Bertrand, Harrison Hall, and our own John Heydenreich.

## Special Thanks

Seals-it would like to thank Gary Putnam who owns and drives the #77 NASCAR Whelen Modified and Michael Hann who crew chiefs the racecar, for all the hard work to have the racecar ready and delivered to the PRI Show in Indy. Seals-it is a proud sponsor of the #77 and we greatly appreciate all they do for us!
