November 2019

**NEWSLETTER**

*Volume 16, Issue 11*

## ***United Presbyterian Church of Randolph***

Dear Church Family and Friends,

AND THEY'RE OFF!!! The race has begun. What race you may ask? Oh, come on, its November and the stores are filled with holiday paraphernalia. Time to plan the Thanksgiving dinner, mail Christmas cards, get the game plan for Black Friday and start making cookies! As I write this article in mid October, I can start to feel the stress of the busy holiday season bubbling up in my gut!

Wait a minute, WHOA! I just finished a sermon series on stewardship of – time, talents and possessions. I think it's time to review. Stewardship is not just about giving to God, it is to help us use what we have in a balanced way to allow us to have a stress free (or at least less stressed) life. We have plenty of everything, we just need to learn how to be good stewards.

So, now is the time to look at the upcoming season and figure out priorities. What is really important and what is not? This is what stewardship is about. Are there things that should be cut out of your holiday schedule? Start planning ahead so you have time to enjoy the important things. The same is true with gift giving. Many families and individuals over spend and then find themselves in trouble down the road. Can you make Christmas less about the packages and trimmings and more about giving real gifts, like spending time, a well thought out craft, a poem, or letter that will last long after a toy is discarded? Don't wait to think about these things in December, start planning now.

I want to add some holiday facts to help you as you de-stress the next two months. First let's look at Thanksgiving. The Pilgrims celebrated the first Thanksgiving with fasting, NOT FEASTING! They were so thankful to God that they gave up even the necessities of life for a time to give thanks to God. I think that would go over well at my family Thanksgiving, "Guess what, this year we are celebrating like the first Thanksgiving, we are all fasting, and I'm not cooking anything! YEA!" NOT! I am not suggesting that anyone give up the traditional turkey and pumpkin pie, but do think about how to bring more thanks into the feasting.

Now on to Christmas. In the early Christian church, the birth of Christ was not celebrated. It was the custom during this time period to only remember the date of death of important people. With infant mortality high, a birth was not necessarily thought of as important to remember, but when someone accomplishes something in their lives, their death is something to be remembered. So in the early church, Holy week including Easter was the only focus. The first recorded celebration of Jesus' birth on December 25<sup>th</sup> was during the reign of Constantine in the year 336 AD, more than 300 years after the actual birth. The date, December 25 was most likely chosen because it was already a celebration in to Mediterranean cultures, *natalis solis invicti* (the Roman "birth of the unconquered sun"), and the birthday of Mithras, the Iranian "Sun of Righteousness. Almost every tradition we hold so dear around Christmas was imported from a pagan culture. The entry of Jesus into the world as the savior for all of humanity is indeed something to be celebrated, but how can you do this in a joyful peace filled holiday? Start planning now. Enjoy Christmas and the traditions, but don't become a slave to traditions that are nothing more than fluff to the meaning of the coming of the Christ child. It is ok to start trimming the extras to make time for the trimmings that bring joy.

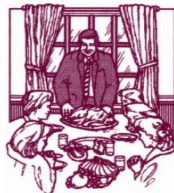

With peace and hope,

Pastor Molly

## Church Youth Activity

Over 30 were in attendance at the Erie Zoo trip sponsored by the Deacons of the church October 11th. Excited about the beautiful weather, regular church attendees and many new, met at the church at 9 a.m. and caravanned over 10 vehicles to Erie. This alone was a sight for the children! While at the zoo, children completed an activity, trying to find each animal featured in the VBS program this summer. Many enjoyed all that the zoo had to offer including riding the colorful and exciting carousel. Lunch was eaten at the zoo's pavilion. Afterwards, children enjoyed playing on the playground while the adults relaxed and spent time in fellowship.

November brings  
Its variety of blessings,

Is the first one.  
Be sure you take part!

Next, comes one from 1918—  
Armistice Day.  
The end of a “War to end all Wars”!  
But, the truth belies the statement:  
It was renamed Veterans Day.

A delicious family day  
Comes at the end of the month.  
A day of family warmth  
And thanks to God:  
Thanksgiving Day.

Thanks be to God  
For each of these days:  
Free election,  
Remembrance,  
And a precious family gathering.

November Blessings!

## **NEW COLUMN**

I am adding a new monthly column. Much work goes into creating a newsletter and I want to encourage everyone to read each article...and remember them! So, I will be putting a small assignment in each month to help you grow in your walk with God, and to bring the results into church for a small award. The number 7 is a significant number in the Bible. It is used at the number of perfection. God created the world in six days and rested on the 7<sup>th</sup>. Jesus said to forgive others not up to 7 times but up to 70 x 7. Your assignment for this month is to count how many times the number 7 is used in this newsletter. Bring your answers in to worship on November 17. There will be an award for the successful!
