

# THE BIRTH OF THE MANCHILD II

This illustration show the actual 'birthing' of Jupiter, concerning the Great Sign in Heaven from the book of Revelation chapter 12. What makes this Virgo motif unique is that Jupiter has never had its 9-month retrograde occur as the Sun is 'clothing' Virgo and the Moon is at her 'feet'. According so other researchers, this depiction with Jupiter is a once in a creation event, meaning it has never happened nor will in human history. This actual 'birthing' of Jupiter as the 'Manchild' will occur on the 9th of September at 0 hours UT time. If there is anything prophetic that will come about, will remain to be ascertained.

'Birth Canal' of Virgo

As far as Biblical 'signs' go, the actual sign is not the event itself. If something or someone is to be 'birthed', this event is just signaling that the event is perhaps on the horizon and about to occur. However, the actual date and time is very significant as to its source and depiction. Can 1 event signal 2 birthing's' of a prophetic dichotomy? Yes. On one level of possible prophetic meaning, this sign could be related to a completed gestation period of a 'body' associated to Christ's Body. On the other hand, it can also be associated with the 'birthing' of the New World Order and/or its 'Christ' Manchild; in this case the AntiChrist.
