

MOMS SMALL GROUP OPPORTUNITY

Treat yourself every week to one night of refreshment with relevant Bible studies, fun fellowship and a chance to serve others together with Moms Time! We meet every Tuesday at 6:30 p.m. Three weeks of the month we do book and Bible studies that help us become more godly moms, wives, co-workers. One Tuesday a month we do something fun and inexpensive together like spa nights (bringing our own resources!), movie nights, craft nights or game nights! We also do some volunteer work together like making dinner for our Limitless teens, working at the Emergency Assistance Center and filling boxes for Operation Christmas Child.

It is a huge blessing to share life's ups and downs with other moms from all stages of motherhood! Our fall book will be *Be Bold: Finding Your Fierce* by Rachel Billups. Our first gathering of the new season will be September 10 at Lynn Ham's house. If you have children living in your home you are eligible for this amazing support group! Contact Lynn, 740-610-6703 to sign up for this life-changing opportunity!
