Digital Textbook Initiative

www.clm.org/fdti/

A Guide to Standards-Aligned Electronic Learning Resources and Assessments for Teachers, Administrators, and Parents.

College Textbooks | Read Free Online | Flat World Knowledge

www.flatworldknowledge.com/

Since 2007, we've been publishing college textbooks by expert authors. We give professors more control over content and students greater access for less.

Khan Academy

www.khanacademy.org/

With a library of over 3000 videos covering everything from arithmetic to physics, finance, and history and hundreds of skills to practice, we're on a mission to help you learn what you want, when you want, at your own pace.

American Memory from the Library of Congress

memory.loc.gov/

American Memory provides free and open access through the Internet to written and spoken words, sound recordings, still and moving images, prints, maps, and sheet music that document the American experience. It is a digital record of American history and creativity. These materials, from the collections of the Library of Congress and other institutions, chronicle historical events, people, places, and ideas that continue to shape America, serving the public as a resource for education and lifelong learning.

MERLOT

www.merlot.org/

Free and open online community of resources designed primarily for faculty, staff and students of higher education from around the world to share their learning materials and pedagogy.

OER Commons

www.oercommons.org/

Open Education Resources (OER) are teaching and learning materials freely available online for everyone to use.

OpenCourseWare Consortium

www.ocwconsortium.org/

The OpenCourseWare Consortium is a worldwide community of hundreds of higher education institutions and associated organizations committed to advancing OpenCourseWare and its impact on global education.

Open Course Library

<https://sites.google.com/a/sbctc.edu/opencourselibrary/>

The Open Course Library is a collection of expertly developed educational materials – including textbooks, syllabi, course activities, readings, and assessments – in 81 high-enrollment college courses.

Open Learning Initiative - Carnegie Mellon University
