This is a very special Cad because it's the Senior Edition! There are three seniors and one graduate student on the officer team for the Pre-Med Society, three of which will be attending medical school in the fall. The following pages serve to give an inside look into how each of these people believe the Pre-Med Society has benefitted them, as well as advice on being pre-med in college. Juzar Hussain will be attending the Alabama College of Osteopathic Medicine, Will Young will be attending UT Southwestern Medical School, Mackenzie Hartman will be attending Oklahoma State University College of Osteopathic Medicine, and there is also a section from Kris Fields included who was on the officer team last year as well as this last semester.
