

About Satanta Area Arts Council

The Satanta Area Arts Council is a 501 (c) (3) charitable arts and cultural organization founded in Satanta, KS in 1975.

The purpose of the Council is to “act as a coordinating, educational, and service organization to foster, promote, encourage, and increase the knowledge, appreciation and practice of the arts in Satanta and the surrounding area”.

To fulfill this purpose and provide cultural opportunities for the rural area, the arts council focuses on a wide variety of programming. In the past, performers ranging from ballet dancers to historical reenactors have been brought to Haskell County by the Council.

Additionally, numerous programs for children have been funded by SAAC including a yearly performance by Wichita Children’s Theatre and a Kids’ College event. Other exhibits and events are also provided by the arts council.

Consider Board service

Another way to serve the Satanta Area Arts Council is to become a member of the Board of Directors. The duties of a board member include the selection and presentation of programming for local events. The work, which includes tasks ranging from baking cookies to setting up tables and chairs to working as ticket takers and servers at events, is done on a strictly volunteer basis. Meetings occur on a monthly basis.

To inquire more about board membership, please contact Ryan Burrows by calling (620) 649-3416 or emailing rburrows@usd507.org, or contact another current member of the board.
