

I am sure that you are aware of the current CDC recommendations. They suggest that no gathering of more than 10 people take place and all bars, restaurants and essentially places of social contact remain closed.

Given this, the board feels that we need to suspend all club meetings and events until this crisis is over – so, until further notice, all club events and meetings are cancelled.

This includes, but is not limited to:

- JRSC Meeting on the March 24th
- Out on the town March 26th
- Maritime Academy on the March 28th
- Members Meeting April 14th
- Lunch Bunch April 15th
- Out on the town April 24th
- JRSC Board Meeting April 28th

Stay safe and well

On behalf of the board,
Neil Whitehead
