

Dear TLS Community,

I hope you had a wonderful weekend!

I wanted to reach out to you on the heels of the board's exciting announcement about the merger of The Little School and Rabun Gap-Nacoochee School, effective June 2017. Institutionally, this is fantastic news for TLS, and it will be an incredible opportunity for the members of our community as well.

The great folks at RGNS are working hard to get every last detail ready for the next school year, and they are eager to answer any questions you may have about admissions, programming, and the transition for next year. There will surely be many family discussions taking place in the coming weeks and months as you decide what 2017-2018 will bring for your child(ren). Please reach out so we may help you in this process!

Although change is on the horizon, it's important that you know that here at TLS we remain committed to making 2016-2017 the Best Year Ever!! It's business as usual in the office, and in the classrooms and on the playground our students' joy and learning and wellbeing will always be at the heart of all we do. We look forward to the school events that will bring us together as a community, and we are excited to celebrate the spirit of TLS this year.

Speaking of school events...please remember individual picture day tomorrow (Tuesday). Students may wear whatever they (you) choose. Wednesday will be class picture day, so students are to wear their green polo and khaki bottoms.

As always, please let us know if you have any questions.

My very best,
Brooke

Thanks for the extra communication – this is key to good change management. Hopefully the response has been mostly positive and not too disruptive.

Andy
