From the East ...

The Fruit of Our Labors

As the year winds down and the end of my term draws near, I am happy to reflect on the progress that the lodge has made this year. We have made progress in Masonic Education and will most likely qualify for the award for meeting our goals this year from Grand Lodge. We have made progress on the building, as the flat roof is now sealed and we no longer have leaks in the restrooms. We have made progress on our degree work, we now have members of Dunedin No. 192 who can perform lectures, and we are almost able to perform an entire Master Mason degree without needing assistance from any other lodge.

What I am most pleased over is the progress we have made in our charity work. We had a very successful Bikes for Books campaign this year and awarded the BJ Sammon scholarship to two ROTC students from Dunedin High School. We will soon be purchasing gift cards to give to families from Dunedin Elementary that will not be able to afford a special meal this year at the many celebrated holidays of this season. In addition to these charities, I am asking the Craft to participate in a new one this year. I have always especially enjoyed our Christmas dinners that we hold in December each year and after reflecting on the occasion, a thought occurred to me. Why do we waste our time buying nominal

gifts for each other in celebration of the season instead of giving to someone who truly needs a gift this year?

I am proposing that this year, instead of buying gifts for each other, that we each buy a toy for a girl or boy, bring them to the Christmas party, after which time we will take them and donate them to the children of the Shriner's Hospital. As I am sure many of you are aware, the Shiner's Hospital treats very sick children at little or no cost to the families and I cannot think of a worse place for a child to wake up on Christmas morning than being in a hospital bed. Perhaps we can make a small difference in the lives of these children by donating a toy for them to open on Christmas morning. I do not plan on setting a dollar amount, I will let each of you decide what toy you would like to donate.

I thank you all for a great and productive year at Dunedin No. 192. I have enjoyed my role this year as your Worshipful Master and I have confidence in the overall direction of the Lodge in the future. My Brothers, it has been an honor to serve with such excellent men and Masons.

Yours Truly, Andy Reeves.

EAST GATE LODGE

Meeting 1st Tuesday

7:00pm

FROM THE WEST

Brethren,

Well it seems yet another year has just about run its course. In the current state of affairs our fraternity finds itself in I think our lodge is fairly fortunate at this time to have a dedicated core group of Brothers who are willing and eager to do the work of our order. We are also fortunate to have had dedicated Brothers in the past that have left us a good legacy to follow not to mention a sound financial footing as well. It cannot, however, be emphasized enough that we need all of our Brothers to participate as much as their cable tow allows. If we are to first survive and then thrive, as we should, we must get more brothers involved and we must bring more good men into the fold. If you are reading this and you have not been involved in the lodge lately please consider lending your talents once again. Even if you only come to lodge that would be infinitely better than not coming at all. We must be together to learn from each other and it truly is a shame that most of us who are currently active have never even met the majority of the Brothers in our lodge. We need to fix this so let's make an effort to do just that!

As you all know our lodge is coming up on the centennial anniversary of the granting of our lodge charter which occurred on January 19, 1916. Next year January 19th falls on a Tuesday immediately after our stated communications. We have decided therefore to hold the centennial celebration on Saturday January 16th at 3 PM so as to maximize participation. Everyone that has an email address in our lodge database should have received an electronic invite already. If you haven't received it no need to worry just go to this link on your computers internet web browser and RSVP by January 2nd.

<http://evite.me/EyDhcXVSp7>

Additionally I encourage you to copy this link and send it to anyone you think may be interested in helping us celebrate 100 years of Freemasonry here at Dunedin 1921!

As the chairman for the committee that is planning this auspicious event I am seeking Brothers who are interested in giving some comments at the formal dinner. I would love to hear from our Brothers about what the lodge has meant to them and share some entertaining stories from our collective past. If you are interested please contact me directly via email at fr1686@gmail.com or via phone at (352) 871-0673.

Our Grand Master, M. W. Steven Boring and his Grand line officers will be in attendance to perform a cornerstone re-dedication ceremony for us and the Dunedin Middle School pipers, drummers and Scottish highland dancers will be in attendance as well to help us celebrate in style! After the ceremony we will retire to the Dunedin Community Center for our formal dinner along with speakers and presentations.

If you have ideas or input in general for our centennial celebration please contact me at the email address or phone number above. Together we can make this a truly special and memorable event for all!

FROM THE SOUTH

Brethren,

I thought for this Trestle Board I would share a piece of Masonic culture with you all. This Masonic Poem was written by: Bro. David E. Guyton, I hope you enjoy it as much as I did.

By the Plumb,

- Bro. Zachary T Moore

FRATERNITY

By BRO. DAVID E. GUYTON
(From The Builder, Anamosa, Iowa, October, 1915)

We build us temples tall and grand,

With gifts we heap our altars high,

Unheeding how, on every hand,

The hungry and the naked cry.

We sound our creeds in trumpet tone,

With zeal we compass land and sea,

Unmindful of the sob and moan

Of souls that yearn for sympathy.

We hurl to hell, we bear above,

With equal ease we loose or bind,

Forgetful quite that God is Love,

Secretary's Notes

Brothers,

As I prepare this edition of the Trestle-board the significance of this edition just stuck me. This is the last Trestleboard to be sent out in the first 100 years of Dunedin Lodge. The next one will be the first edition beginning the second 100 years of our Lodge. I feel blessed to be a part of our History.

As I look back on my own Masonic career I reflect on the Brothers who made an impact on me personally. Some are still with us such as Romeo Scerbo, Bill McIntosh, Ken Giesow and Tim Bryce. While I have made several lasting friendships I feel that these Brothers have impacted my view more than they will ever know. I want to list the names of the Brothers that impacted me most but are no longer physically with us. While several of them hold titles such as Worshipful, Right Worshipful and others, I want to recognize them simply as "My Brothers".

' In Loving Memory '

'My Brothers You are missed'

Merlyn Franck Bill Brewer
Bob Clarkson Cecil Englebert

Ernie Bond Billie Christofilis
Walter Newcomb B.J. Sammon

Ron Tury Walter Winchester
Chuck Gordon Peter Keup

Allen Lentz Ross Lindsay
Bill (Pappy) McIntosh Charles Rongey

,James Sullivan Ray Vyvyan

Mort Yeager

While this list is by no means complete, these are the Brothers I most remember and I know you younger members may not recognize the names, but these Brothers gave me my strong Masonic Beliefs.

Fraternally,

Mike Palenik Secretary
