Be in the know at GVA!
Come join the heART of the arts
in Glynn County!

THIS WEEK IN REVIEW!

How on earth did it get to be June already?
And it looks like summer is going to be awesomely busy!
We have lots of young folks stopping by and checking out
what we have to offer here for summer fun and of course
we have our regular adult classes.
I just popped into Jennifer Broadus' painting class and got
a couple of pictures. Lovely things happening here.
And do you see her youngest student?

Start them young in the arts and they will do great things!

Did you see the lovely pictures of our garden that Debbie Craig has created here at GVA?

Beautiful and definitely creatively inspiring!

Check out our Facebook page for those pictures. And if you haven't liked us on Facebook yet, be sure to do that!

Debbie brought us some flowers from the garden this morning. Just beautiful!

And of course, they are in a gorgeous ceramic mug.

Makes me smile when I walk into the gallery.

I took a moment today to stop into Debbie's class as well and found them all hard at work creating!

June begins our one day classes in support of Second Harvest Food Bank. It's called Hand Made 4 the Hungry. You come in and Debbie will teach you how to hand build a bowl then you donate the bowl for the Empty Bowl Fundraiser on October 17th.

All the proceeds benefit the Second Harvest Food Bank and directly benefits those in need in Glynn County.

Scroll on down for details and the link to register.

Please pre-register for this event because space is limited.

Lisa Cushing-Kent has created a new 6 session class for July!

Think about it.

You get to create a 3d wearable piece of art that is unique just like you!

You don't have to have experience. Lisa will take you through the project step by step.

Details about the class are below and if you haven't seen her work, stop by the gift shop and check it out!

Or [visit her website](#) and learn more about her and her work.

The inventory is almost complete in the gift shop and I have plans to make some major changes in the displays and where things are located so keep checking in about that! And on that note, we put a new glass display table in the gift shop.

Check out the new table!

Which means the previous table needs to be sold.
Here is a picture of the table and we are asking \$100 OBO
for the table.

We won't be able to deliver so you must pick up here at
GVA.

Table/desk approximately 35" X 71" X 30" (width x length x
height).

And lastly, we are making preparations for our next exhibit.
Here is the prospectus and details if you want to be a part
of this exhibit.

[This link will take you to the information.](#)

That's it for this week. There is still time to sign up the
young ones for summer camp but seating is limited so
make sure to do that quickly!

I am off to Atlanta for the weekend but I will see you all next
week!

Make sure to stop by and say hi.
