For thousands of years, Indigenous people have walked in this land. As we gather for worship this morning, we acknowledge that we are gathered in the traditional territory of the Saulteaux, Cree, Dakota, Lakota, & Nakota First Nations and the traditional lands of the Metis, now defined as Treaty 4, and we acknowledge their stewardship of this land throughout the ages. We recognize this statement in itself is not reconciliation work - this stand-alone acknowledgment must be accompanied by multiple acts that continue to deepen our understanding of the connections between Indigenous peoples and the lands on which we are joined through the course of history and through treaty signing.

Sunday Scripture: Luke 13:3-35

Hymns:

Be Still and Know – MV#77 x2
Beautiful Gaia – MV#41
Serve the Lord - All God's Children Sing #28 vs. 1, 2
Our Hearts that Beat in Tune – MV#37
God is Passionate Life – VU#695 vs. 1, 5
Don't Be Afraid – MV#90

From the Living Skies Region

Social assistance concerns continue; new report with details of the impact In November we shared an action detailing great concerns with the SK government's changes to social assistance. ([Click here for that action](#), which is, unfortunately, still up to date, and welcomes your participation.) Peter Gilmer, ministry staff with the Regina Anti Poverty Ministry, points us to a report detailing the results of grassroots listening circles which talked about social assistance and homelessness, to help us see the changes from the experience of those facing the impact. The report was prepared by Meara Conway and team; she is an NDP MLA, and is the opposition critic for Social Services, Housing, Human Rights, and Community-Based Organizations. It is in the latter role that we recommend the report for reading. [The full report is here.](#) [The summary report is here.](#)

Anti Racism Common Table letter on hate symbols at recent protests – The recent protests and border blockades have made for a very tense few weeks. This [open letter](#) from the General Council's Anti Racism Common Table asks us to accept the reality, and the impact, of the documented presence of white supremacist, racist symbols at a number of the protests. You're invited to read it with an open heart for the experiences of Black and Indigenous people, and people of colour, targeted by the beliefs behind these symbols. Tony Snow, a member of the Indigenous church and Regional Minister in Chinook Winds, also offers us [this reflection](#) from his perspective. May God give us the heart to absorb these words.
