

2016 Valley Lake Girl Scouts Pinewood Derby

The **Pinewood Derby** race is open to all registered Girl Scouts and their families in the Valley Lake Service Unit.

Please join us for a morning filled with racing, supporting Girl Scouts, and having fun. We will also have a cupcake walk and concessions.

Location:	Greenleaf Elementary School, Apple Valley
Date:	Friday November 4, 2016
Registration:	\$6.00 per car Patch included for first 100 GS registered
Weigh in:	6:15 to 7:00 Weigh In
Race time:	7:00 p.m. to 9:00 p.m.

Need a car kit? Not a problem! Car kits can be purchased directly at The Boy Scout Shop in Burnsville (located near Chianti Grill on County Road 42) for \$4.00 / Contact Amy Fewell if you would like her to pick you up one, amyfewell3@gmail.com

Never built a Pinewood Derby car before? Not a problem! Visit <http://www.pwdracing.com/> for information about open house style workshops between 5pm and 8:30 pm many nights of the week between now and race day! All the tools you need are at the workshop. You will go in with a car kit and come out with a car ready to be painted! Fees do apply, see <http://www.pwdracing.com/> for full details.

Not sure how to race a car? Not a problem! The cars nearly race themselves on the 64-foot, six-lane track. The track has an automated timer and very experienced operators will handle the cars during the race. You just need to make your car and register it the day of the race.

Worried about racing against the big kids? Not a problem! There will be multiple divisions, so you will be racing against Girl Scouts about your own age. These are the divisions:

Daisy
Brownie
Junior/Cadette/Senior/Ambassadors
Family – any other non-Girl Scout

The 2016 Northern Star Council Rules will apply for all cars, regardless of division:
<http://www.northernstarbsa.org/Forms/Activities/PinewoodDerbyRules.pdf>

Not interested in speed? Not a problem! There are also awards for **car designs!**
Car Design Categories to be Announced at March Leader Meeting

If you have questions, please contact Amy Fewell at amyfewell3@gmail.com
