Gapan City Association of Southern California (GAPASCA)

2nd Anniversary – June 25, 2016

I would like to congratulate the Gapan City Association of Southern California (GAPASCA) and its membership on its 2nd Anniversary.

The work this organization provides through its educational opportunities for disadvantaged students from the City of Gapan, Nueva Ecija in the Philippines, while connecting Filipino-American descendants of Gapan in our community through cultural, social, religious, educational, and charitable events deserves to be commended.

The Filipino-American community in Cerritos contributes to the rich diversity of my State Senate District and I am proud to represent them. Again, congratulations on this momentous occasion. I wish GAPASCA continued success in supporting these programs in our community and abroad in the upcoming year.

Sincerely,

A handwritten signature in cursive script that reads "Tony Mendoza".
