Ms. Carrie Harrison, President
North County Quilters Association
PO Box 301215
Escondido, CA 92030-1215

Dear Ms. Harrison,

Please accept our heartfelt appreciation for awarding San Diego Humane Society with such a generous gift of \$1,000. We are most grateful for the North County Quilters Association's support of our mission and work.

Every year, San Diego Humane Society changes the lives of more than 30,000 animals in need throughout our community. But we can't do this important work alone. It is through your support that we are able to provide these precious animals with shelter, protection, life-saving veterinary care, the highest quality nutrition, enrichment and a whole lot of love - all the support they need to be adopted into new homes. We are the last hope for so many animals, and because of you, we are able to be there for them when they need us the most.
