

The newspaper dismissed them with three brief words – “The children escaped.” But the newspaper was wrong. They did not escape. Whether grown and out on their own or still young and at home, they all suffered. Not even the four year old grandchild was able to escape the aftermath which drifted across four generations.

Based on a true story, *The Mist on the Mountain* is their story. The story the newspaper missed.

Virginia Morgan Hipwell was born and raised in Scioto County, Ohio. After high school, when a Canadian captured her heart, she moved to southern Ontario. She and husband Don share the family farm with their daughter and her family. Two of their three sons live in Ohio while the middle one resides in Saskatchewan. They have grandchildren in all three locations and great-grandchildren in Ohio. For several years, Virginia served as an associate editor for *Gospel Herald* writing a monthly column titled “Through a Woman’s Eyes”. She has also written numerous poems, a few short stories and lyrics for some Sunday school songs.

Just in time for Christmas giving! This historical novel is available only from the author for \$20 plus shipping. Contact Virginia via email at stompdouble@gmail.com or on Facebook.
