Many Tollos lifts include our innovative iQ Technology™ and software. Combining proprietary electronics and an optional integrated scale, iQ Technology automates the tracking of critical safe patient handling data for training, compliance and equipment diagnostics. Maintenance features include a constant alert after 1,000 lifts and failsafe shutdown after 6,000 cycles.

## infection control

### ANTI-BACTERIAL INFECTION CONTROL CURTAINS - DISPOSABLE

- Non-woven 100% polypropylene, 100gsm improves infection control
- Inhibits growth of E. Coli and Staphylococcus aureus
- Disposable and recyclable, so curtains can always look fresh and new
- Quick-Fit option significantly reduces hanging times
- Identification label to record date of last change, further improving infection control efforts

### DISPOSABLE INFECTION CONTROL LINEN

- Draw sheets, fitted sheets, stretcher covers, blankets and pillow cases
- Eliminates problems and risks related to collecting and washing reusable linen
- Hygienic solution for remote areas where pick-up of dirty linen is infrequent
- No need for record keeping and quality assurance related to reusable linen contamination
- Affordable option to reusable linen wash costs

## lateral transfer

### SALLYSLIDES®

- Reusable and single-patient use sheets and tubes
- Multi-directional slide tubes are a single, silicon tubular sheet designed to safely move the patient during transfer, in-bed repositioning, lateral transfer, pivoting and rolling
- Multi-directional slide sheets are a two-sheet set to reduce friction during lateral transfer and repositioning
- Proven slipperiness after 250 washes, single-patient use can last up to 4 months, reducing costs.

## scale technologies

### PHYSICIAN SCALES

- Lightweight but durable
- Available in several models to fit almost any setting

#### Eye-Level Models

Equipped with adjustable height rod

#### Waist-Level Models

Easy-to-read digital display

#### Personal Floor Models

Large, stand-alone Titanium indicator with built-in bracket for wall, table or floor mounting

#### Floor-Level Models

Under 13" height; easy to store

#### Ultrasonic BMI Scale

Ultrasonic measuring device

## hygiene solutions

### RANE BATHING SYSTEMS

- Multiple models to suit facility needs
- AirSpa anti-scald valve and on-board disinfection unit standard on all tubs

#### RR7-II Atlantic

Reclining, high-efficiency tub

#### RS8 Geneva

Supine tub with height adjustment

#### RB14 Mediterranean
