Arrange photography of all sculptures for use on social media, website and map
Send press releases to local media regarding exhibition launch or other events

ARTIST RELATIONS

Act as liaison to all the artists that have been selected for the exhibition; mostly email
Receive and respond to inquiries about installations, seek committee input as needed
Collect information needed for site plaques and the map
Schedule installation times as per outline to be provided by committee, and advise the installation crew as needed
For new artists especially, be on hand when they arrive to install, welcome them, guide them to locations etc.
Coordinate sculpture removal; usually less structured schedule than installations

SPONSOR RELATIONS

Contact previous years' sponsors to seek participation again
Present sponsorship options and benefits to new prospects
Maintain lists of prospects and confirmed sponsors
Send sponsorship acknowledgement letters
Maintain relationships with sponsors
Send year-end reports and thank-you cards

A background in the arts is not required; just a belief that public art enriches society. Applicants can live outside the community but should have some connection to Centre Wellington.

In any of the above roles you will be supported by other committee members. Procedures exist for easy transition into activities.
