2020 Summer at the Club

It was a different kind of summer at the Club this year due to COVID-19. While it was difficult not being able to serve the same amount of kids or do the normal summertime activities, we were glad to be able to provide an

important service to the community and a safe environment for a limited number of kids whose parents were working in essential jobs.

We are excited to announce that the Boys & Girls Clubs of Santa Fe/Del Norte was voted "Best Kids Summer Program".

Thank you to all who voted for us.
We sincerely appreciate your support!

Thank you!

**Change a life.
Start with a
child.**

Thank you for your interest in supporting our efforts to serve the youth in Northern

New Mexico!

Each year we depend on the generosity of many individuals, corporations, foundations, civic organizations and government funding to support our annual operating needs.

We provide scholarships for those who need assistance with our program fees. A contribution of any size will help make a difference in the life of a child. Investing in the Boys & Girls Clubs of Santa

Fe/Del Norte is investing in the future of our Northern New Mexico communities.

As a non-profit organization, we depend on support from individual and corporate donations, federal, state and local grants, and special events to fund our annual budget.
