Let Experience be Your Guide

## **RN LABOR & DELIVERY NIGHTS – TORRANCE, CALIFORNIA**

**WEBCO HR, Inc.** is seeking a RN Labor and Delivery Nights for one of our clients located in Torrance, California.

### **SUMMARY:**

Our client's Health Center is renowned for innovation and advanced technology. they are on the Magnet journey, and we were just awarded a 5-star rating for quality, safe care from the Centers of Medicare and Medicaid Services (CMS). They are among the top 10% of hospitals nationwide to have received this 5-star rating in 2023.

Their fast-paced Labor and Delivery unit welcomes more than 2,200 babies into the world each year. They are known throughout Santa Monica for providing top-notch obstetrical care and our unit consists of a level 3 NICU caring for high-risk infants. This dynamic environment provides opportunities from caring for the laboring patient, circulating in the OR, PACU services, and high-risk postpartum and OB triage patients seen for emergent conditions.

Their nurses are not simply valued – they're invaluable. You will thrive in their culture of patient-focused, whole-person care built on understanding, commitment, and mutual respect. Your voice matters there, because they know that to inspire and retain the best nurses, they must empower them.

Join the team as a caregiver, you'll apply your specialized training to deliver world-class health with human connection and make a difference every day through your extraordinary care.

### **REQUIREMENTS**

- Graduation from an accredited nursing program.
- California Registered Nurse License upon hire.
- National Provider BLS - American Heart Association upon hire.
- National Provider NRP - American Academy of Pediatrics upon hire.
- 1 year of Nursing experience.

Preferred qualifications:

- 1 year of RN experience working directly in a Labor and Delivery unit in a hospital

### **COMPENSATION:**

- \$97,000 - \$156,000
- Full Benefits

## **THE COMPANY:**

Our client's Health Center has been serving the Santa Monica and westside Los Angeles County communities since 1942, and since that time has earned a reputation for clinical excellence and award-winning care in a compassionate and tranquil healing environment. Today, they are a nationally renowned 266-bed hospital with physicians, nurses, volunteers, and support staff who work as a team to provide the best possible medical care to its patients and the community. They provide the latest in diagnostic technology and specialty care with a strong commitment to its core service lines: heart and vascular care, oncology, orthopedics, and women's health. They are also home to a world-renowned Cancer Institute, dedicated to clinical research and medical advancements in cancer care.

Their reputation for academically based care guided by research and evidence-based medicine is due to the commitment to excellence by their physicians, nurses, and caregivers. Their cancer surgeons care for patients in the Cancer Center and hold faculty positions at the Cancer Institute and other teaching institutions in the community. Nearly every core service line at the hospital participates in research or clinical trials.

Founded by the sisters of Charity of Leavenworth, who in 2014, the hospital is rooted in the Catholic health care tradition, which is devoted to providing leading-edge medicine with unwavering compassion and personalized care. In line with both its Catholic Mission and its responsibilities as a non-profit health care provider, they seek to create healthier communities by investing in community benefit programs, with an emphasis on the poor and vulnerable. Through the dedication and collaborative efforts of the community, friends, patrons, physicians, nurses, staff, and volunteers, they continue their world-class tradition established more than 70 years ago by providing breakthrough medicine in an environment of inspired healing.
