February News

During the month of February, we will be talking about some very fun things. Groundhog Day, Community Helpers, Dental Health, and of course, Valentine's Day.

Speaking of Valentines Day, we will be having a valentine exchange in our class. If you would like to be included in this, all you have to do is address your valentines like this..... To: My Friend From: Your child's name. This makes it a lot easier when we pass them out and put them in their valentine bag, to take home. Since we have children that come all different days, we will send the bags home on Thursday or Friday. This will allow everyone time to bring in their valentines. We have 7 kids in our class.

What have we been working on lately.....?

- Our colors
- Counting to 5 or more
- Identifying shapes
- Taking turns
- Using kind words and gentle hands
- The word YES instead of NO... :)
- Matching colors and objects
- Pre-writing skills.... Scribbling, drawing circles and lines, and moving our pencils up and down on our paper. So, the next time you see a scribbled drawing in your cubby, you'll know that it is so much more than scribbles....

Ms. Carrie :)
