

*Add a little more life to the
Hankinson City Park*

Donate a Tree

*“One generation plants the tree, another gets
the shade.” -Chinese Proverb*

Your gift of \$100 will pay for one of the trees shown on the right and the maintenance of that tree for one year.

The new City Park trees will be planted around the playground equipment and ball diamonds for shade, comfort, and timeless beauty.

Donating is easy. Mail your \$100 gift to the Hankinson Park Board, PO Box 418, Hankinson, ND 58041.

Your contribution will make a big difference for generations to come. Thank you for keeping Hankinson a healthy, thriving, and growing community!
