Mentoring Kids Fishing Derby

Del Norte Bass Anglers & Kahuna's Kids will be hosting our annual Fishing Derby benefiting the at-risk youth of the Mentoring Tucson's Kids & One on One Mentoring organizations. We plan this event on a voluntary basis, with the primary objective of introducing youth to the thrill of fishing and the wonders of the outdoors. We further strive to provide this opportunity to youth who otherwise would not have the means to participate in such activities. Children will experience a fishing derby on a bass boat with a seasoned angler, and after the derby, they are treated to lunch and an awards ceremony.

This year's Derby will be held on Saturday, October 13, 2018 at Patagonia Lake, Arizona. Once again, we hope to have a large number of children participating. This goal is reached through charitable donations from friends and local businesses. Thanks to the generous support from Arizona Sportsmen for Wildlife Conservation, we will be offering this year's youth the opportunity to camp out the night before the derby!

We invite you to support this event by your tax-deductible donation. Any amount you choose to contribute is greatly appreciated. A donation of \$100.00 will sponsor one child and their mentor. We are excited to have the opportunity to offer our sponsors of \$200 or more a place for your company logo on the event t-shirts! We also welcome product donations for event supplies or raffle prizes. Your donation will ensure these children an opportunity to participate in what is, for many, their first fishing and camping experience.

If you have any questions regarding this event, please feel free to contact us.
