

A Little Schoolhouse Christian Academy

FREE VPK Enrollment Form

Please fill out all registration paperwork and submit your registration folder to A Little Schoolhouse. Placement will be determined by the dates they are received and available openings.

In order to qualify for the Voluntary Pre-Kindergarten Program, you must register your child with the Manatee County Early Learning Coalition. They can be reached at 757-2900. Information can also be found on their website at www.ELC-manatee.org

The Manatee ELC will give you a Certificate of Eligibility. Once you obtain your certificate, please bring it to A Little Schoolhouse so we may complete your enrollment in the VPK Program. Certificates must be submitted with registration paperwork in order to secure placement.

An optional VPK PLUS Program is available for families who wish to have their child attend an extended morning program, and have art and music daily, as well as extra curricula activities. VPK Plus does require registration prior to the beginning of the school year, and parents must pay the tuition for the additional time and services which are not covered by the State of Florida VPK program.

To remain in the VPK program you must comply with the State mandated attendance policy. The State will not pay for services that are not being received by your child. Parents must cooperate with signing attendance verifications sheets and any occasional paper work needed by the State. Parents who do not comply with these requirements risk their child losing eligibility for the program.

We have a limited number of openings in our VPK Programs. Placement will be determined by available openings at the time of registration. ALSH reserves the right to fill VPK Plus class spots first. If the Free VPK spots are completely filled, or only VPK Plus spots remain, ALSH will take your child's name on a waiting list. The week before VPK starts we will fill any spots available in the VPK Plus program with students who want only Free VPK – 8:45 a.m. to 11:45am.

I have read and understand the above guidelines of the VPK Program and will comply with them.
