

BULLETIN: COVID-19 Virus

Unfortunately, we will be temporarily closed until further notice. For any families registered for our Spring program please check your emails (including Junk) for an update on these classes. Please let us know if you haven't received this email so we can forward it to you.

We will continue to monitor this situation closely and provide you with ongoing updates, as needed. We encourage you to follow us on Facebook and visit our website for further details.

We hope all our gymnasts and their families are staying safe and healthy at this time and look forward to getting through this challenging time together.
