

VETERANS OF FOREIGN WARS AUXILIARY

CHIEF OF STAFF/EXTENSION

FEBRUARY 2019

Mentoring is an all-around and continuing process.

As a member of the VFW Auxiliary have you done all you can to make your members, new or long-time, feel excited about your organization?

Do you welcome new members and explain what we do?

Do you take a few minutes each meeting to ask members if we can make our meetings more interesting and fun? Have you helped plan a fun-night meeting? Jazz it up a bit? Have a crazy hat night where you promote a program decorating a hat? How about wild socks? Think outside the box! Do something different!

Now is the ideal time to start talking and planning for spring election of officers. There are so many talented members out there just waiting for the right time to shine. Encourage them to become a leader or undertake a chairmanship. The rewards are priceless.

Ideas, information and resources are available to you at [www.wivfwaux.org](http://www.wivfwaux.org). With just a click you have everything you need to be successful at your fingertips. Only you can determine the level of your success.
