

Luau at the Maritime Museum

The Maritime Museum was used as the location for a wedding rehearsal dinner on Friday, August 3. The theme for the event was a Hawaiian luau. The museum prided the venue and the tables and chairs. The food was catered. The Museum was an exceptional setting as it provided a great backdrop for the theme and also allowed for the guests to tour the museum – made for great conversations!

We were so happy to be, in a small way, involved with their wedding.
